### **SOME EXAMINATION RULES**

1. All students are required to take midyear examinations in all of their major subjects. There are no exceptions.\* Midyear exams are worth 20% of the semester (two-term) average.
2. In case of a school cancellation, the exam(s) scheduled on that day will be given the next day that school is in session. The remainder of the schedule will proceed in the order of the original schedule.
3. If there is a two-hour delay on exam days, the first exam will be dropped and the schedule will continue in the original order. The dropped exam will be rescheduled for the next full day of school **after** the exam dates.
4. On exam days students do not need to be in school other than when they have an exam. If a student does not have an exam on Tuesday, January 15 they do not have to be here for the exam time but are expected to be in attendance for all classes after the exam block that day. **Students must remain in the exam room for the full period of the examination. Anyone leaving earlier will get a zero for that exam.**
5. The final day for making up a midyear exam is Wednesday, January 23, 2019. Any exceptions to this make-up date must be approved by the principal. Students are encouraged to make arrangements with their individual teachers to make up exams during free blocks or after school during exam week. Unless otherwise arranged, make-up exams will take place in the media center on Tuesday and Wednesday, January 22 & 23, from 2:30 to 4:30 p.m.
6. Students **are not** allowed to use personal electronic devices if they finish their exam early.
7. If students are in the building during a period they do not have an examination, they must stay out of the corridors. The cafeteria and gym will be open for those students.
8. A complete listing of examination rules is contained in the *Student Handbook*.
